# The Five Things Catalyst's Must Know to Career Path

1. **Write your own job description** based on the problems you see need to be solved
2. **Be bold**
3. Remember it may not work the first time, so **be bold again** (and again)
4. **Identify a sponsor** (aka rethink 'role models')
5. Know your **passions, strengths and patterns**

# Write your own job description based on the problems you see need to be solved

Catalyst Superpower = Having the Vision

Open Jobs to meet that Vision = Challenge

# Be bold

- Share your findings
- Receive feedback
- Make your proposal

Remember it may not work the first time, so be bold again (and again)

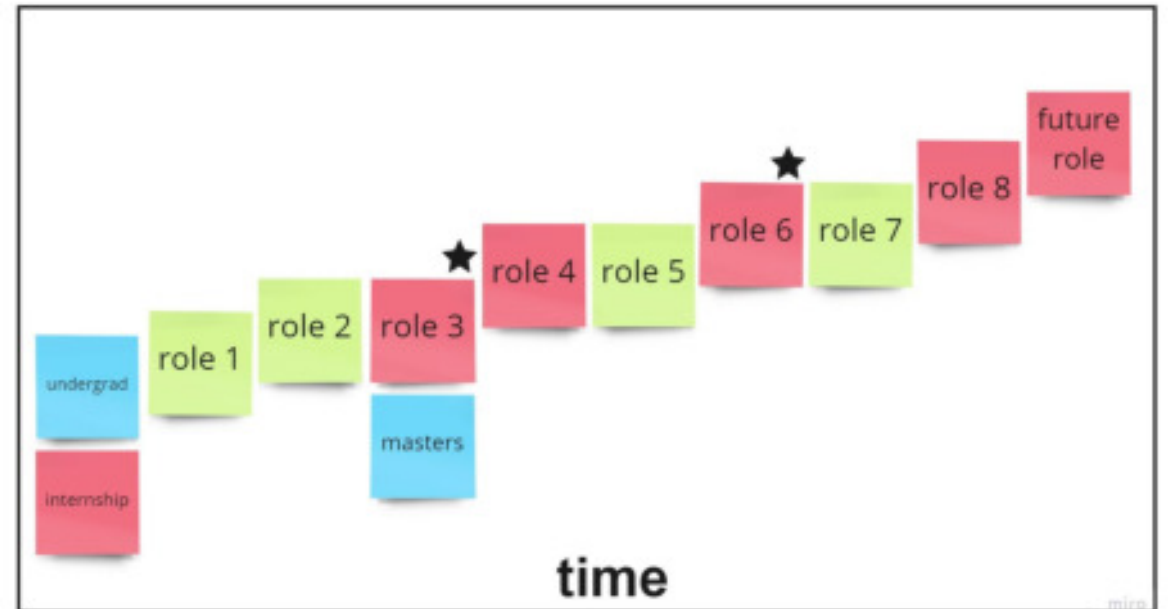

**MY PLAN B IS JUST  
ANOTHER WAY TO  
MAKE MY PLAN A  
WORK.**
